AMERICAN KENNEL CLUB®

Jane L. Sewley
Executive Secretary

The Seal of The American Kennel Club affixed hereto certifies that this pedigree was compiled from official Stud Book records on December 8, 2014.

Thank you for ordering a Conditional Pedigree from the American Kennel Club². A pedigree contains a great deal of information, and abbreviations are an unfortunate necessity. On this sheet you will find the meanings of the abbreviations used for titles; countries (if a dog was from outside the US); colors and markings; OFA and CERF certifications, and genetic clearance information. Should you have further questions, please call the AKC² Customer Service office at 919-233-9767. Web site: www.akc.org

Note that if a date is shown after a dog's registration number (such as (01-92)), this is the month and year the dog's first breeding was recorded in the Stud Book Register. *It should not be confused with the dog's date of birth.*

Abbreviations Used for Titles

The following list shows the abbreviations used for earned titles. Some titles are appended to the beginning of a dog's name, and others are appended after the dog's name. Note that titles earned in a foreign country, or under non-AKC rules and regulations, are not shown on the pedigree.
